

# LETTER OPPOSING CHILDHOOD VACCINATION

**Are you concerned about your child receiving a vaccine while not in your care?** Consider using the sample letter below and giving it to your child's daycare, school, camp, etc. Note: There is grey area within some Kansas statutes that might allow for vaccination without your express consent. Therefore, make sure this letter is on file everywhere your child attends without your supervision.

Re: Opposition to vaccination/inoculation of (child's name)

Dear (School / Organization / Camp name) -

As the (parent /guardian) of (child's name), I am informing you that I oppose vaccinating/inoculating my child with any vaccine or biologic, including, but not limited to, that for COVID-19 or the flu. Therefore, you do not have my authorization to vaccinate (him/her), nor do you have the authority to obtain (his/her) purported consent to submit to any vaccine or biologic. **Any violation of this directive will be considered a battery on my child and will be addressed accordingly.**

Sincerely,

---

Parent / Guardian of (child's name)
